This week

What a wonderful week we have had in school. Sports Days were a huge success and the children thoroughly enjoyed it. It was wonderful to see so many parents attending and supporting your children. The Year 3 class also visited the Yorkshire Wildlife Park which they really enjoyed and showed outstanding behaviour. We are now looking ahead to our final half term where we have lots of exciting things planned. I'm sure you have noticed 'Elsecar is in Bloom' and school is looking beautiful, thank you very much for the parents/carers who have contributed to this. We hope you have a lovely half term and we will see you back at school on Monday 2nd June.

School Calendar 2025/26

We would like to draw your attention to the fact that we've updated next year's term dates. These now fall in line with the new trust which we will be joining in September.

This has been published to the school website under the parent zone.

Dates for the diary

Monday 2nd June

All children back to school

Thursday 5th June

Environment Day

Monday 9th June

Celebration Assembly in church 2:45pm

Art Week

Healthy Eating Week

Wednesday 18th – Friday 20th June

Year 6 Residential

Attendance Matters

Well done to

EYFS

for having the top attendance for this week.

Whole School Attendance

This week: 90.2%

This year: 93.5%

Attendance target: 96.5%

Every Day Counts

Oakwell Play on Pitch Event

The children thoroughly enjoyed the opportunity to play football against children from other local primary schools and on the actual Oakwell pitch, well done everyone!

Collective Worship

Our Christian value this week:
Hope

The focus of the worship was how we can be like the yeast in bread. Tiny grains of yeast help make a loaf of bread grow and grow. This bible story shows us that we are just like tiny grains of kindness that can spread love throughout our community! Every single person can make a difference in the amount of kindness and love we share with others.

This half term let's all be like grains of yeast spreading acts of kindness to everyone we meet.

Sports Day

It was wonderful to see all the children enjoy sports day this year. The children showed real resilience and determination. Thank you to all the parents and carers who were able to attend to support and cheer on the children. We hope you enjoyed it as much as we did!

Spotlight on Year 2

It has been a very busy week in Year 2! The children have been working hard right up to the end of term. In maths we have solved problems involving statistics and fractions. We practiced using imperative verbs and time words when we were writing instructions on how to catch a fire giant in our literacy lessons. The children have loved learning about Sydney, Australia and can name the seven continents and five oceans. In science we labelled a pepper plant and wrote a sentence to describe the function of parts of a plant. Sports day was great fun, and all the children enjoyed taking part and showing what good sports they are. During R.E we have learnt how Jewish people show their commitment to God. The children all deserve a well earned rest over half term but remember to keep reading with your child so the children can earn their Bronze, Silver and Gold awards! 😊
