Elsecar Holy Trinity is a nurturing, inclusive, Church school where everyone is valued as a child of God. We warmly welcome people of all faiths/worldviews and backgrounds, fostering respect, compassion and forgiveness. Rooted in faith, family and community, we aim to grow together in love, developing wisdom, knowledge and aspirations for a brighter future.

ACADEMIES TRUST

This week

We've made such a positive start to what, unbelievably is the last half term before the Summer break! I would like to begin with a big thank you for the continued support within school, from our Elsecar in Bloom project to supporting your child/children's Sports Day. It is wonderful to see such support from our parents / carers. We have a very exciting week next week where the children will be taking part in an Art Week where they will be learning skills from a range of diverse artists and then creating their own piece of art...very exciting! I hope everyone has a wonderful, restful weekend and we will see you back for week 2 on Monday.

Collective Worship

Our Christian value this week was dignity. This week's worship was a real 'awe and wonder moment' with all of the pupils gasping in surprise when Mrs Proud turned water into wine! This was an exciting start to exploring the miracles of Jesus. Turning water into wine was Jesus' first miracle and the start of his disciples belief in him. Do we really appreciate the special miracles in our own lives, things like, sitting down to eat as a family or sharing a favourite bedtime story? How can we make sure that we are thankful when wonderful things happen in our lives?

You're your Say!

Inter-schools sports competition

The children had a great day taking part in the inter-schools cricket competition today despite the wet weather. Well done everyone!

British Values

What do animals need to be happy and healthy in zoos?

Rule of Law

Rules and laws help keep people and animals safe. When we create rules, we can think about the needs of others - especially those who might need more help or protection. Fair rules can make life better for everyone.

Protected Characteristics

Everyone should have the chance to enjoy and learn about animals by visiting places like zoos. Zoos should be made accessible so that all people can take part and feel included.

Art week

Next week your child will be taking part in a very special art week. Here's what they are going to be doing:

EYFS: Adding details to their own drawings

Year 1: Outdoor natural art

Year 2: Drawing, creating different tones with pencils

Year 3: Painting with a focus on David Hockney

Year 4: Sketching focussing upon the work of Käthe Kollwitz

Year 5: Drawing with a focus of 3D shapes and Barbra Hepworth sculptures

Year 6: Drawing with a focus on self-portraits and details

25/26 SEASON

Spotlight on Year 3

Year 3 have been busy learning about what plants need in order to grow. Ask your child to explain germination.

Our class trip to the Yorkshire Wildlife Park was awesome and we had a fantastic day out. As part of our history topic on the Ancient Egyptians we made models of some of the Gods they followed.
