Elsecar Holy Trinity is a **nurturing, inclusive**, Church school where everyone is **valued** as a child of God. We warmly **welcome** people of all faiths/worldviews and backgrounds, fostering **respect, compassion** and **forgiveness**. Rooted in **faith, family** and **community**, we aim to **grow** together in love, developing **wisdom, knowledge** and **aspirations** for a **brighter future**.

## This week

It's been a very exciting week where there has certainly been a 'buzz' around school. There has been lots of wonderful things happening from Swim Safety presentations to our Foundation children going to the park for their end of year visit. As we head towards our final few weeks of the year, it's important to remember and reflect on the year we've had year. We are very much into planning for some exciting things happening next year...have a wonderful weekend and we will see you Monday for another eventful week.

## Attendance Matters

Top Attendance Awarded to:

### EYFS

Whole School Attendance

This week: 93.8%

This year: 93.7%

**Attendance target: 96.5%**

Every Day Counts

Year 6 Leavers' Assembly in church 2pm  
(parents/carers welcome to attend)  
Break up for Summer

#### Wednesday 3<sup>rd</sup> September

All children back to school for the start of

## Collective Worship

Our Christian value this week was Hope. In this bible story, Jesus heals the paralysed man, Jesus showed that he could heal people physically, but also that he could heal their hearts and make them whole again. He still has the power through people to transform lives today. Feeling ill can make people feel hopeless but there are other things that can make people feel hopeless too. Stop for a moment and consider is there someone you know who feels sad or hopeless? Is there anything you can do to help that person feel better? One thing you could do is bring anyone or anything that you are worried about to Jesus in a prayer.

## Bikeability

Year 5 have done an amazing job this week where they completed their Bikeability. This has involved children learning about how to keep safe when riding their bikes. They have learnt how to control their bikes safely and then learnt about road safety. Well done to all the children involved.

## Health and Safety Notice

Please do not gather on the driveway (which leads to the rear parking) as staff and visitors access this especially at busy times before and after school. Thank you for your cooperation in ensuring the safety of all.

## Spotlight on EYFS

We had a fabulous trip to the park on Friday. We loved climbing, running, exploring and eating ice-creams! We are getting better and better at playing collaboratively, we have been using the large blocks outside to build creations and use our imagination to make up stories. In maths we have been grouping and sharing objects and numbers. We loved playing this game:

In PSHE we have been thinking about moving to Year 1, we are looking forward to our next school Year!

## British Values

What makes somewhere a good place to live?

### Mutual Respect and Tolerance

A good place to live might look different for each of us. When we respect other people's homes and needs, we help create safe and caring spaces for everyone.

### Protected Characteristics

Throughout history, people have found clever ways to live all around the world. Everyone deserves safety, comfort and shelter, no matter their background or race.
