British Values

Rule of Law

The United Nations was created after the war, to help countries follow rules and keep peace. Just like in our own lives, rules can bring people together and guide us to live safely and fairly.

'Harvesting Good Attendance'

Win a Family pass to Cineworld and a hamper of tasty Treats!

Will you be in the draw?

This week in our worship our focus has been on ways to be generous with God's creation. The first book of the bible tells how God created the world in 7 days. We thought about being 'earthkeepers' and having responsibility for the earth and all of its creations. **Can you think of the most wonderful bit of creation that you would want to protect for future generations?** Everyone can make a difference and everyone can be an earthkeeper.

Scholastic Book Fair

We will be holding a book fair next week at 3:30pm in the school hall.

School Vision

This week Ms Woollands spent some time in collective Worship explaining our new school vision to the children.

Spotlight this week!

Y4

Year 4 we have been focussing on and analysing narratives in our literacy lessons. In maths we have been working on column addition, subtraction and exchanging, we have also been practicing writing our Roman numerals date each day. In RE, we focussed on the Parable of the Good Samaritan, the children chose what they thought was the most significant part in the story to teach Christians how to act. Year 4 also had a visitor this week, Jo from Compass Be, she delivered a very important workshop 'Your journey to positive mental health', the children really enjoyed this session and can now identify strategies to help when they are not feeling their best!

LORD'S PRAYER JOURNEY

This week we have taken part in Lord's Prayer Week.

The Lord's Prayer is a daily part of our school worship. As a school we would like to invite you to take time to reflect and talk about this prayer as a family.

What does the Lord's Prayer mean to you?
