

How the School's Vision and School Council Connect

The School Council is a practical embodiment of Elsecar's vision:

<i>Inclusivity & Respect</i> 	<i>Councillors will ensure all pupils' voices are heard and respected.</i>
<i>Community & Faith</i> 	<i>Councillors will often lead community outreach and charity work</i>
<i>Wisdom & Aspiration</i> 	<i>Councillors will develop leadership, communication, and decision-making skills.</i>
<i>Love & Compassion</i> 	<i>Councillors will promote kindness, forgiveness, and peer support.</i>

In essence, our school council helps bring our vision to life by empowering pupils to actively shape their school experience in line with the values of love, respect, and growth.
